CARTOGRAPHY DIVISION

25X1A9a

███████████████ - Chief, Cartography Division

25X9A2

████████████████████████████████
████████████████████████████████
████████████████████████████████

The Division is responsible for providing cartographic and graphic support to CIA, the Department of State, and in some instances other IAC agencies, the National Security Council, and the White House. Such support is geared to both intelligence requirements and to Agency operations.

25X1A9a

███████████████ - Chief, Far East Compilation Branch

25X9A2

██████████████████
██████████████████

The Branch compiles all substantive maps on the assigned region required by CIA, the Department of State, and in some instances other IAC agencies. These maps are in support of both intelligence production and operational planning.

25X1A9a

█████████████████ - Chief, USSR-Satellites Compilation Branch

25X9A2

██████████████████
██████████████████

The Branch compiles all substantive maps on the assigned region required by CIA, the Department of State, and in some instances other IAC agencies. These maps are in support of both intelligence production and operational planning.

25X1A9a

████████████████████ - Acting Chief, Europe-Africa Compilation Branch

25X9A2

██████████████████
██████████████████

The Branch compiles all substantive maps on the assigned region required by CIA, the Department of State, and in some instances other IAC agencies. These maps are in support of both intelligence production and operational planning.

CARTOGRAPHY DIVISION - Cont'd.

25X1A9a

[REDACTED] - Chief, Special Support Branch

25X9A2 [REDACTED]

The Branch compiles and drafts all substantive maps and supplementary graphics required by the Agency's Special Center.

25X1A9a

[REDACTED] - Chief, Development and Construction Branch

25X9A2 [REDACTED]

The Branch constructs (drafts) all maps prepared by the Compilation Branches, prepares special cartographic aid support to CIA, and maintains a laboratory to improve cartographic techniques and operate the Division's training program.

25X1A9a

[REDACTED] - Chief, Graphics Branch*

25X9A2 [REDACTED]

The Branch provides graphic support in the form of visual aids to CIA, the National Security Council, and the White House. This support is usually in the form of wall-sized visual aids.

*This Branch is currently being transferred to OCI where it will become the Graphics unit for the DD/I.
